

# Product Life Cycle Policy for Electronic Products

Lucy Electric’s product life cycle policy protects customer investments and allows us to keep up-to-date with technology and component availability

Our model divides the product’s life cycle into four transitional phases: current, restrictive, legacy and obsolete. Each phase is summarised below and provides relevant implications for the end-user.

\* periods in time quoted are estimations only based upon current market research information and long-term forecast component availability. Lucy Electric reserves the right to amend such periods during the life-cycle of this product range.

#### Disclaimer

Lucy Electric has a policy of continuous research and development and accordingly reserves the right to change the design and specification of its products without prior notice.

## Lucy Electric worldwide offices

#### Lucy Electric Ltd.

Howland Road, Thame, Oxfordshire,  
OX9 3UJ, United Kingdom
